Child's Name _____

Insect Repellant

The JCC Early Childhood Center (ECC) will apply Insect Repellant to children under the following conditions:

- The Washtenaw County Health Department has recommended use of repellants to prevent disease transmission.
- Parents have signed a form (see below) giving the ECC permission to apply insect repellant.
- Parents have provided the ECC with an insect repellant that is labeled with their child's name, and which contains DEET (20% or less) , Picaridin/KBR 3023, Oil of Lemon Eucalyptus/PMD **or** IR3535 (DEET is not permitted for children under 2 months, and Oil of Eucalyptus is not permitted for children under 3 years.)

Per our consulting pediatrician, information provided by both the Washtenaw County Health Department and the American Academy of Pediatrics, the ECC will apply repellant using the following guidelines:

- Repellant containing DEET will not be used on children under the age of 2 months.
- Hands will be avoided, so that repellant does not get rubbed in children's eyes.
- Parents who wish to have their child use a repellant which does not meet our guidelines must fill out a medication permission form.

___ I give permission to JCC Early Childhood Center Staff and Teachers to apply Insect Repellant to my child.

___ I do NOT want Insect Repellant applied to my child at this time.

___ I will fill out a medication permission slip to allow the ECC to apply an alternative repellant to my child.

External Use of Photos/Media

We know you love to see photos of your children learning and having fun at the JCC ECC. We are always trying to document the great activities and programming that we offer to the community. Internally, we use photos and recordings to document children's learning and development, share news with parents, create learning materials, develop training materials, share with parents on our private Shutterfly site, and much more. We also make external use of photos and videos to provide the public with information about our program. Such uses include our website, brochures, and newspaper articles.

I hereby give permission for the JCC ECC to record or photograph my child for reasons other than for internal parental communication and training purposes. I understand that the photos or recordings done may be used for purposes of advertising at the JCC or through external media.
